### Pastor's Perspective

Greetings Cornerstone

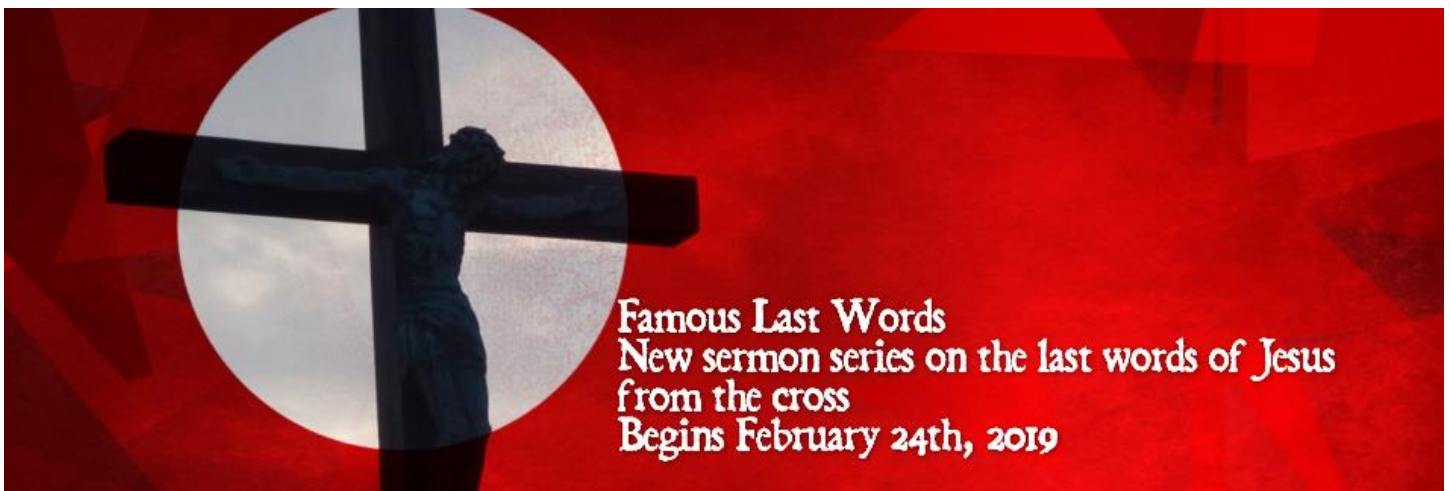

We are continuing our series "Famous Last Words" this week with a message entitled "The Word Of Love". We will be looking at what Jesus was saying when he spoke to his mother and to John from the cross. I hope you will plan to join us. Last Sunday we enjoyed a special time around the Lord's Table in communion. You can expect that we will be doing more of these times of communion in the coming months.

I want to thank those of you who signed up to plan and try and help in this year's fireworks stand. I know we are a few months away and I know things can happen to change our plans but we needed to make sure we would have enough people to man the booth for this year. We will need to count on the help of others from outside the church to be fully staffed but hopefully we will not be using too much of our profit margin to pay the other church who will help us. I am in negotiations with our fireworks provider to make sure we can get the maximum profit possible this year.

You will note the announcement below but I wanted to express my excitement for this new young adult ministry we are starting on March 24<sup>th</sup>. Glenn Goodlander is heading up this new ministry and we are excited about the possibilities. A lunch is planned for after worship Sunday March 24<sup>th</sup> for all interested. We will let you decide if you are a young adult or not LOL. Please see Glenn if you plan to attend so that we can be sure to order enough food.

See You Sunday!

Pastor Sheldon

### Just A Thought

“The irony is that while God doesn't need us but still wants us, we desperately need God but don't really want Him most of the time.”
